Honorable Stansfield Turner  
Director of Central Intelligence  
Washington, D. C. 20505

Dear Admiral Turner:

The Subcommittee on Evaluation appreciates the participation of CIA and other intelligence community elements in the hearings on warning intelligence.

Enclosed is a transcript of the proceedings, and an additional question for the record. Rule 4 of the Rules of the Committee, which requires transcripts to be returned five days following receipt, is waived and an extension is granted to October 13, 1978. Rule 4 does provide, however, that "corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony."

Due to the pendency of a lawsuit, the issue has been raised as to whether a copy of proceedings before a Congressional Committee (taken in executive session) can be reached by a Freedom of Information request. In an effort to obviate any future problems that might result due to an adverse ruling in this case, the Committee is transmitting the attached transcripts with the understanding that it is provided on temporary loan and that no copies will be made thereof.

If you have any questions concerning this request, please have your action officer contact Ms. Diane La Voy of my staff at 225-5658.

With every good wish, I am

Sincerely yours,

  
EDWARD P. BOLAND  
Chairman

I am forwarding herewith a copy of the transcript of your appearance before the House Permanent Select Committee on Intelligence Subcommittee on Evaluation on 21 September. Please read it for accuracy and make such corrections as you deem necessary.

Please also note that there are four follow up questions that the Committee is asking of you for responses in writing.

As you will note the Committee has requested that we provide them with complete answers by October 13. I will appreciate your efforts to see that this deadline is met. Please advise me if you cannot live with the deadline and I will request an extension.

Thanks in advance.
